

SAAA WA Regional Fly-in 27-28 February 2010 at Beautiful Denmark

2010 is Chapter 13's turn to host the WA Regional Fly In. A great weekend is in store at one of Australia's most beautiful fly-in locations. Expect good food, wineries, tours, great accommodations and some aviation fun. See your friends, meet new folks and airplanes, take folks for a ride, explore our spectacular coastline and mountain ranges from the air or take one of the ground tours. No landing fees!!

- Saturday Feb. 27 – Arrivals, registration, optional flight sightseeing of our coastline and mountain ranges, settle into your accommodation, and join us for dinner Saturday evening (reservations required – see contact details below).
- Sunday Feb. 28 – Several flying events, formation flying, aircraft and flight judging, and more coastline touring if you missed out on Saturday. Ground tours, winery visits and other events are in the planning stages. BBQ dinner at the Denmark Airport (reservations required).
- Formation flying is being planned by formation instructor Ralph Burnett. You will need a formation endorsement and be current. You can schedule participation and training with Ralph.
- Monday Mar. 1 – Morning goofing off, sightseeing, departures (it will be a long weekend).

Many accommodations and styles are available. Book well ahead because it is a long weekend during the high tourist season. A small bus will make circuits to town, and the friendly Chapter 13 members will provide rides to and from the airport. Taxi and hire cars available.
